Volunteer Teams Welcome!

5th Shonan International Marathon 2011

It is clear that the Volunteers are the most important part of any marathon event. Shonan International Marathon is held not only for the celebration of runners; it is also an opening opportunity for everyone who wants to support this marathon and visit our area.

Volunteering as Shonan Volunteers Center is an exciting occasion for you. On the race day, you may find many volunteers who have enthusiasm and spontaneity toward volunteering activities throughout this marathon race. We supply FREE Race Crew Wind Jacket and Cap for all volunteers. Please feel free to contact us if you have any question on this issue.
